

The Spy: Isaac Bell #3, 2011, 480 pages, Clive Cussler, 0718159640, 9780718159641, Penguin Books Limited, 2011

The Spy is the third of Clive Cussler's brilliant historical thrillers. 1908, and American engineering geniuses are being killed off one by one . . . When a brilliant battleship gun engineer commits suicide, his disbelieving family turn to legendary Van Dorn Detective Agency. Quickly on the case, Isaac Bell establishes that the clues point not to suicide, but murder. So when further deaths connected to a top-secret project follow, Bell realizes that this is sabotage. With the world plunging towards war, it's clearly a spy at large. But which of the many foreign agents he has encountered is responsible? Or is there a more sinister explanation? In a blistering story featuring dreadnaught battleships and railroads, criminal gangs and beautiful women, The Spy is a breathtaking thriller that just happens to have at stake the fate of the world. Bestseller Clive Cussler - author of the Dirk Pitt novels Arctic Drift and Crescent Dawn - and co-author Justin Scott place hero Isaac Bell at the centre of a mysterious espionage conspiracy in the third novel of historical thriller series The Isaac Bell Adventures, The Spy. Praise for Clive Cussler: 'Cussler is hard to beat' Daily Mail 'The guy I read' Tom Clancy Bestselling author Clive Cussler has kept readers on the edges of their seats for four decades with his thrilling action novels. As well as the Isaac Bell series there are also the NUMA and Oregon Files series, the Dirk Pitt stories (which started it all) and the Fargo series. Other titles in Cussler's first historical series - The Isaac Bell Adventures - include The Chase, The Wrecker, The Race and The Thief which are all available from Penguin.
